This auction is our main fund raising event of the year and enables us to pay for demonstrators, rent, storage, insurance, photography, printing, refreshments, the Christmas party and all the expenses that must be met in order for us to sustain this club and our activities.

This year's auction will feature a selection of pots and trees from the collection of the late Manny Martinez as well as a beautiful grafted juniper by Tom Vuong and other treasures.

**We very much count on your donations for this auction.** Please take a look around your yard. We all have trees, pots and pre-bonsai material that we have outgrown or lost interest in. This auction is a very good source of bonsai material for people who are beginning to develop their skills.

There will be reserves on just a few items but as usual, many bargains will walk out the door! More info: Carol Upston [carolupston@icloud.com](mailto:carolupston@icloud.com) or 310-346-4203.
